

At our Academy, we support the right of all members of our community to access safe and inclusive learning environments, including digital and online spaces. This form outlines your responsibilities in supporting safe digital learning, as well as the expected behaviours we have of you when using digital or online spaces.

**This is how I will stay safe when I use computers and other equipment:**

- I will ask a teacher or an adult if I want to use a computer
- I will only use activities that the teacher or adult has told or allowed me to use
- I will always take care of the computer and other equipment
- I will ask for help from a teacher or adult if I am not sure what to do or if I think I have done something wrong
- I will tell the teacher or adult straight away if I see something that upsets me on screen
- I know that if I break the rules I might not be allowed to use a computer
